

2010 NVARC Field Day

Heald Street Orchard

Pepperell, MA

June 26th and 27th

Why Heald Street Orchard?

- A return to “Field Day” of the past
 - Lost Lake was comfortable but we might have “lost” the original reason for Field Day
 - Field Day is an occasion to “Educate” the public about the value of Amateur Radio and Emergency Communication
 - Everyone’s talking about the “aging” Ham population (are you concerned?)
 - And it’s supposed to be FUN!

2010 N1NC Field Day

- Class 3A
 - CW Station (optional Phone)
 - Phone Station (optional CW)
 - Digital Station (optional Phone/CW)
 - “Free VHF/UHF/Satellite”
 - No GOTA this year
- Antennas
 - CW and Phone covered by Stan, Bob & Bruce
 - Digital covered by Larry & George
 - VHF/UHF/Satellite covered by Skip (with a little help)

2010 N1NC Field Day

- Still Looking for Participants
 - Setup
 - Takedown
 - Phone Co-Captain
 - UHF/VHF/Satellite Co-Captain
 - Info Station/Public Relations
 - Station Operators
 - Friends, Neighbors, Relations, and Random Strangers

2010 N1NC Field Day

- As your Field Day Coordinator my “Agenda” is
 - Introduce more people to Amateur Radio by making Field Day accessible to all and increase NVARC membership
 - To achieve greater NVARC member participation by appealing to what makes Amateur Radio interesting to you (more modes and greater accessibility)
 - Enlist your help and aid to make this a successful Field Day event

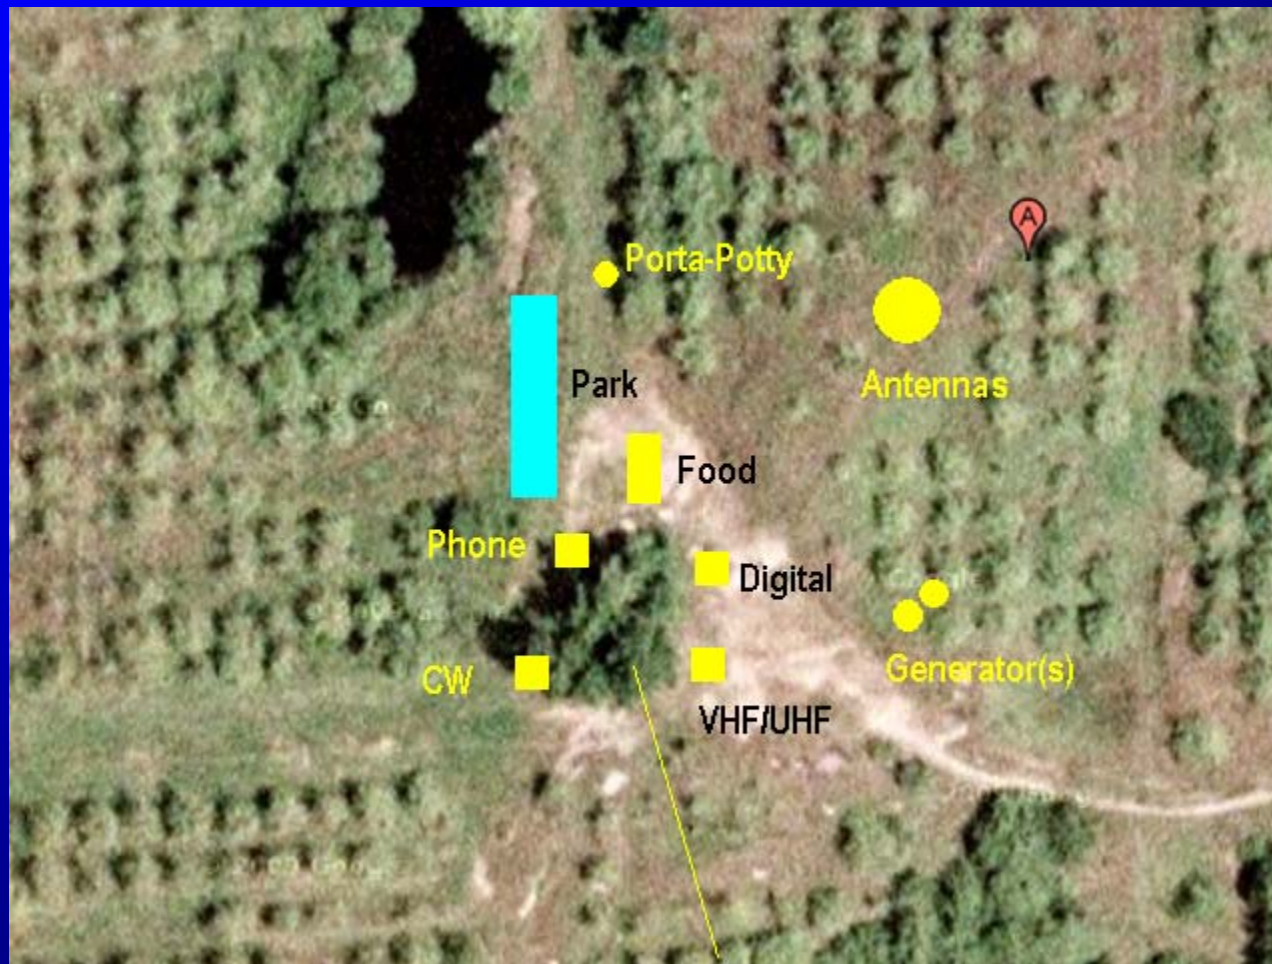

2010 N1NC Field Day

- Setup
 - Saturday, June 26th 6:00 AM, No Tiny's ☹
- Operation
 - Saturday June 26th from 2 PM through Sunday June 28th at 2 PM
- Take Down
 - Sunday, June 28th, 2 PM onwards.....
- Prior Meeting(s)
