

Would you like to help in Emergencies like Fires, Floods and Tornados?

Would you like to "tune in" on World Situations?

Would you like to participate in local Public Service Events?

Do you want to talk to people from all over the World?

Have you ever been curious what "Ham" Radio is all about?

Then join the **Nashoba Valley Amateur Radio Club** at the annual

ARRL Field Day Event, June 25 & 26

Heald Street Orchard, Pepperell, MA

(Operating continuously for 24 hours beginning at 2 PM Saturday to 2 PM Sunday)

GPS and Google Map Coordinates: 42.668643,-71.628097

This event showcases the ability of Ham Radio operators to setup communications capabilities in the middle of a field, running on only emergency power, and make "contacts" with other Ham Radio operators around the US.
